2021 Summer Cadet Activity Program (CAP)

1. As COVID-19 numbers are currently showing steady improvement, it may be possible for the cadet program to conduct some in-person activities during the summer months. Applications for these activities are now being accepted.
2. At present, CAP activities are intended primarily for Year 1 (Green Star) and 2 (Red Star) cadets. Although others can submit registrations, they will only be selected if there are places remaining after year 1 and 2 cadets are registered.
3. Although RCSU(C) is still in the process of finalizing the training plan, we have been advised of the following (all contingent on COVID 19 conditions):
 - a. Transport: All activities will be parental drop off.
 - b. Timing: Daily from 0800 to 1600 (Note: Staff will be on-site 1 hour before and after to accommodate parents who need to balance their work / family schedules)
 - c. Tentative activities:
 - i. Sports and fitness activities;
 - ii. Orienteering;
 - iii. Biathlon (Run and shoot);
 - iv. Marksmanship activities;
 - v. Various local tours/museums;
 - vi. Team building activities;
 - vii. Hiking.
4. The following dates are currently being planned.
 - a. Serial 1: 16-20 Aug 21
 - b. Serial 2: 23-27 Aug 21
5. All Green and Red Star cadets are strongly encouraged to take advantage of this activity.

6. Apply by email to the undersigned. When applying, indicate your preferred serial; however, all cadets need to be prepared to participate in either of the 2 serials.
7. Deadline for registration: 31 May 21.
